MINISTRY OF COMMERCE

PUBLIC NOTICES

IMPORT TRADE CONTROL.

New Delhi, the 19th October 1965

SUBJECT.—Registration of Agency Agreements for the purpose of issue of letters of authority.

No. 87-ITC(PN)/65.—Attention of the trade is invited to paragraphs 166(1) and 167(2) of Chapter X of the Import Trade Control Hand Book of Rules & Procedure, 1964, in which it has been laid down *inter alia* that the Agency Registration Number allotted by one Licensing authority will be accepted by other licensing authorities also provided the original or the photostat copy of the Agency Registration slip is furnished with the application for a letter of authority.

2. It has been decided to accept a true copy of the Agency Registration slip and not necessarily the original or photostat copy thereof for the grant of letter of authority.

3. Paragraphs 166(1) and 167(2) of Chapter X of the Hand Book may be deemed to have been amended accordingly.

SUBJECT.—*Import of Capital Goods and other items under National Defence Remittance Scheme.*

No. 88-ITC(PN)/65.—It has been decided to introduce a National Defence Remittance Scheme under which import licences will be granted against bank certificates evidencing receipt of certain categories of foreign exchange remittances received on or after 26th October, 1965 upto 31st January 1966, through banking channels by persons who are Indian nationals. The bank certificates will be in the form prescribed in Appendix I to this Public Notice. These bank certificates will be issued by the authorised dealers in foreign exchange on printed forms, arrangements for the supply of which are being made separately by the Reserve Bank of India, New Delhi.

2. Applications for grant of import licences under this scheme should be made, complete in all respects, and in the prescribed form and manner, to the office of the Chief Controller of Imports and Exports, New Delhi (by name to Shri Y. J. Dennison, Deputy Chief Controller of Imports and Exports). The applications should also be accompanied by (i) the original copy of the Bank Certificate(s) and (ii) a list, in duplicate, giving the No., date, value and office of issue of the Bank Certificate(s) and should be submitted in person either by the applicant himself or by his authorised representative at the Enquiry counter of the office of the Chief Controller of Imports and Exports. On receiving the application, the Enquiry counter will issue a receipt of the application as well as for the Bank Certificate(s) and one copy of the list of Bank Certificate(s) will also be returned to the applicant with appropriate endorsement thereon acknowledging receipt of the Bank Certificate(s). The applications should be superscribed on top by the words "Application under National Defence Remittance Scheme".

3. The value of import applications submitted under this scheme should not exceed sixty per cent of the rupee equivalent of the remittance(s) as mentioned in the Bank certificate(s). The applications for licences may be made either by the recipients of the remittance holding the Bank certificate(s) or by parties in whose favour the Bank certificate(s) have been endorsed by the recipients.

4. The applicants can submit consolidated applications covering Capital Goods and other items sought to be imported by them under the scheme. The consolidated applications should, however, be accompanied by separate lists (5 copies each) for (a) Capital Goods and (b) other items.

5. The applications will be entertained under this scheme upto the 30th April, 1966, only.

6. All applications under this scheme should be made direct to the Chief Controller of Imports and Exports, New Delhi and not through sponsoring or any other authorities. In the case of actual users, no Essentiality Certificate or recommendation of the sponsoring authority will be necessary but licences issued will be subject to the usual condition that the imported goods shall be used in the licence holders' factory etc. Where the installation of equipment proposed to be imported under the scheme requires a licence under the Industries (Development and Regulation) Act, 1951 or where the manufacturing scheme requires an approval, such licence or approval should be secured prior to the submission of the import application for the equipment.

7. Against the consolidated applications, import licences for Capital Goods and for other items will be issued separately. The period of validity of Capital Goods licences issued under this scheme will be three years and in respect of licences for other goods, the validity period will be the same as given in the Import Trade Control Policy Book for the current period i.e. April 1965—March 1966. The licences will be valid for import from all countries except South Africa/South West Africa and other countries from which import has been prohibited. The limiting factor in respect of licences issued under this scheme will be 'value' only.

8. The applications under this Scheme will be considered for import of goods listed in Appendix II to this Public Notice. The category of importers who will be eligible to apply for these goods has also been indicated separately against each item in the list.
